Next CREW Webcast to Feature Expert Panel on CSI

The next edition of the Collision Repair Executive Webcast (CREW) will host a panel of experts who will be presenting information on customer satisfaction issues, challenges and opportunities.

The panelists will include John Webb, Senior Vice President, CSI Complete, Inc.; Randy Hansen, Director, Allstate Insurance; Rollie Benjamin, CEO, ABRA Auto Body and Glass, Inc.; Jason Bertellotti, Senior Vice President, Mitchell International, Inc.; Doug Kelly, President, CynCast, Inc.; and Fred Iantorno, Executive Director, CIECA.

The one-hour webcast is scheduled to begin at 11:00 a.m. PDT on Thursday, April 16, 2009.

CREW is produced and presented by Fix Auto, Symphony Advisors and The Romans Group. The CREW Webcast is designed to provide collision repair, automobile insurance and the auto physical damage aftermarket industry professionals with high-level, topical information.

Erick Bickett, Fix Auto, Matthew Ohrnstein, Symphony Advisors and Vincent Romans, The Romans Group, host the free bi-monthly, one-hour Webcast meeting.

There is no cost to participate in CREW but prior registration is required. If you are interested in watching the CREW Webcast please call the CREW help desk at (714) 279-2023 or register at the CREW Web site at <http://www.crewwebcast.com>
