## CCC Information Services to be Featured on Next CREW Webcast

Collision Repair Executive Webcast (CREW) has announced that the special guests for the 11a.m. PST Thursday, July 23rd session will be Jim Dickens, General Manager and Sr. V.P. of the Automotive Services Group, Susanna Gotsch, Director/Industry Analyst and Mark Fincher, V.P. of Market Solutions with CCC Information Services Inc.

CREW's special guests Jim Dickens, Susanna Gotsch and Mark Fincher will provide insight into the challenges and opportunities facing repairers and insurers and discuss technology's impact on the industry, as well as share CCC's vision for the road ahead. The information presented will be further developed and enhanced through questions posed by Vincent Romans, Mathew Ohrnstein and Eric Bickett reflecting their unique perspectives on important topics from the listening audience.

The CREW delivery format includes a web-based visual presentation with a simultaneous audio conference call and a capability for the participants to question the presenters. Erick Bickett, Fix Auto, Matthew Ohrnstein, Symphony Advisors and Vincent Romans, The Romans Group, host the bi-monthly, one-hour Webcast meeting.

We strive to make the CREW Webcasts available to the broadcast range of listeners possible. There is no cost to participate in CREW but prior registration is required. The CREW Webcast is usually held every third Thursday bi-monthly at 11 a.m. PST. If you are interested in joining a future CREW Webcast please call the CREW help desk at (714) 279-2023 or register at the CREW Web site at <http://www.crewwebcast.com>
