CREW Webcast to Feature Allstate's New DRP Plan

The next presentation of the Collision Repair Executive Webcast (CREW) will be held on May 22 with special guests Bill Daly, Allstate Assistant Vice President Claims, and Nick Notte, Allstate Director Auto Claims.

They will share some of the details of Allstate's new Auto Physical Damage Business and Process Model "Open Platform" Next Generation Release 2.5.

Bill and Nick will describe the key deliverables, the benefits for DRP repair provides, their Express Repair Link (ERL) application and a look at what the future looks like for claims handling for Allstate and its PRO direct repair program.

Each CREW meeting highlights topical, high-level industry information. The delivery format includes a web-based visual presentation of the content, a simultaneous audio conference call and a capability for the participants to question the presenters

The one-hour presentation is free to attend and begins at 11:00 am Pacific time.

Space is limited.
