## Next CREW Webcast to Tackle Data Privacy

The next Collision Repair Executive Webcast (CREW), scheduled for March 24, will look at the proliferation of data collection, protection and distribution as it relates to the privacy rights of consumers and repairers.

A panel of industry experts representing differing perspectives will look at the current situation and future impact of data privacy issues. The panel includes, Erica Eversman, Vehicle Information Services, (consumer) Tony Passwater, AEII, (collision repairer), Doug Kelly, CynCast (business to business) and Nancy Fiorino, CARFAX, (vehicle history data).

Erick Bickett, Fix Auto, Matthew Ohrnstein, Symphony Advisors, and Vincent Romans, The Romans Group, produce and present the semi-monthly, one-hour Web-based presentation.

There is no cost to participate however, there are a limited number of spots available and reservations are required. If you are interested in joining the CREW webcast on March, 24 at 11am Pacific Standard Time, or any future CREW session please contact Liz Stein at (714) 279-2027 or via e-mail at [crew@fixauto.com](mailto:crew@fixauto.com).
